July 14, 2007

Dear Ed, Tony, Mike and Bob,

I want to thank you for your truly stellar performance at the **Sam Hinton Folk Heritage Festival**.

Not only did you sell the place out, but we feel you were among the most entertaining acts we have provided to our audiences in some time.

We hope to have you back soon in one of our larger venues.

We will be in touch soon.

Regards,
Tim Day
