August 2007

Dear Tony, Ed, Mike and Bob,

The Folk Collection put on a very enjoyable concert here at Russ and Julie's House Concerts and got everyone singing along with great enthusiasm. More than one attendee told us afterward that it was among the best shows we've hosted and that they couldn't remember they last time they had so much fun. With the set list The Folk Collection pulls together, we were not surprised at all by the reaction. Thank you Tony, Ed, Mike and Bob for a most entertaining evening.

Our best wishes,

Russ & Julie
